

Vaccine Consent Form

Section 1: Patient Information

Full Name: _____

IC / Passport: _____

Type of vaccine:

☐ Influenza ☐ Hepatitis B

Gender: ☐ Male ☐ Female

☐ Typhoid ☐ Others:

Date of birth: _____ Mobile Number: _____

Section 2: Medical History

Please answer the following question so we can access the safety and the appropriateness of vaccination:	Yes	No
Do you have any allergies, especially to eggs or previous vaccines? If yes, please specify:		
Have you experienced any severe reactions to vaccines in the past? If yes, please specify:		
Are you currently pregnant or planning to become pregnant in the next month?		
Do you have a weakened immune system due to any medical condition (e.g., HIV, cancer, autoimmune disorder)		

Medication / Treatment Screening

Are you currently taking any of the following medicines or treatments that may affect vaccination?
Please tick all that apply:

- ☐ High-dose steroids (e.g. prednisolone/prednisone)
- ☐ Chemotherapy, cancer treatment, or radiotherapy
- ☐ Biologics or immune-suppressing medicines
- ☐ Immunoglobulin, blood or plasma products in the past 3 months
- ☐ Blood thinners/anticoagulants, or bleeding disorders
- ☐ Recent antiviral medicines
- ☐ Other: _____
- ☐ None of the above

Note: If yes to any of the above, vaccination may still be possible, but the healthcare provider will need to assess suitability before proceeding.
